Public Discussion & Committee Report:

Mary Ree was in attendance and wanted to meet and speak to supervisors individually.

She felt more people needed to know what is going on - mainly with young kids. Don Besch gave report on the North Central Mental Health Center Inc. They have \$145,000 in their bank account, last year they only had \$57,000. They are still looking for a social worker and will be interviewing. Webster County Disabilities Alliance hosted a Legislative Dinner. The main topic was Mental Health Parity. MHP means that insurance companies will not be allowed to treat mental illness differently than physical illness. They will not be allowed to set different co-pays, lifetime limits, etc. The 33 States, which have MHP, have seen health insurance premiums change as a result from minus 5% to plus 1.4%. Financial issues are expected to dominate the sessions this year.

Sheriff Discussion:

The department has had excellent cooperation from merchants and defense lawyers. Sheriff Gronbach informed EMT and Fire personal of what to be aware of going into a fire with a possible Meth lab. Evaluation is necessary before they go into a treatment center, and would like to set up our own program for evaluation. The jail as of last Wednesday had 18 prisoners.
